

GIN

LOCAL

Didsbury Gin | Manchester 4.50
Our favourite local lads, fresh peels used in maceration result in an incredibly fragrant true drinkers' gin.

Manchester Gin | Manchester 5.00
Dandelion and burdock root, a nod to northern childhoods, adding to the classic botanicals.

Fenney Street | Salford 5.00
Elderflower, lavender and rose are amongst the 13 botanicals that make up this contemporary take on a London Dry Gin

Three Rivers | Manchester 5.00
A local hero, slightly sweet flavours from almond and vanilla added to 11 other traditional botanicals.

FLAVOURED

Didsbury Raspberry Elderflower 4.50
Embracing tradition, Didsbury have created this fresh and fruity gin by infusing handpicked raspberries and elderflower into their eco-friendly copper pot still, mixed with their London style dry gin.

Whitley Neil Rhubarb & Ginger | UK 4.50
Sweet, sticky rhubarb perfectly complimenting the warming heat of ginger.

Chase Pink Grapefruit | Herefordshire 5.00
A flavour sensation, tangy, sharp pink grapefruit pairing with robust juniper.

Tanqueray Flor de Sevilla | London 5.00
Distilled with Sevilla orange essences and other fine botanicals for a unique, bitter-sweet flavour.

Sipsmith Sloe | London 5.00
Jam and Marzipan flavours with a hint of cherries, resulting in a nice velvet finish.

NATIONWIDE & OVERSEAS

Whitley Neil | UK 4.50
Inspired by Africa, spicy, fragrant botanicals such as Star of Boaba fruit pave the way for a gin with a big mouth feel.

Hendricks | Scotland 4.50
A classic creation, simplicity at its best, infused with Bulgarian Rosa Damascena and Cucumber.

Cuckoo | Lancashire 5.50
A piney start from lashings of juniper, developing into a burst of citrus.

Tanqueray N° 10 | London 6.00
Lime, pink grapefruit and chamomile flowers paired with traditional botanicals.

Black Tomato | Holland 4.50
A rich full flavoured gin, with a subtle sweetness, makes for an intriguing drink.

Copperhead | Belgium 5.00
The alchemists gin dubbed the elixir of life, subtle citrus is matched with gentle coriander heat.
